# Truly Yours

No. 46-35  
44-43 X Zantha

\$25.00

**T**RULY YOURS is a seedling of Zantha crossed with a yellow seedling which is half pink in breeding. This new flower is larger than Zantha — nicely flaring falls and a wide haft. The edges of both standards and falls are ruffled, and also edged in lace like Chantilly. The heart of the flower is a bright yellow, which shades off to almost white at the bottom of the falls and the top of the standards. The buds are bright yellow, because the under side of the open fall is yellow and the top side is faced with white. It blooms very late in the season; is winter hardy; 38 inches tall. Has fertile pollen and sets seeds well.
